Located just at the entrance to the Tomas Maestre Marina, this 17 m² enclosed subway garage in the Las Gemelas development is an ideal opportunity for those looking for secure parking or storage. The garage forms part of the communal subway parking area and has been fully refurbished, with tiled flooring, sensor lighting and shelving for storage. With a secure and gated entrance, this garage offers maximum security and peace of mind, perfect for homeowners in the same development or nearby residents who need extra space. For boat owners, this ...
